A report on the teachers' feedback

The teachers' by and large, of the college feel that the system followed by the affiliating university for design of curriculum is effective. They also feel that the curriculum is updated from time to time. The college has achieved considerable success in attracting meritorious students. The members of the faculty are given a lot of freedom to express their opinions about the college. The IQAC is doing a commendable job within its limits. There is also effective management of the college library.

The college administration needs to be more serious for development of the institution. The laboratories not adequately equipped. The class rooms and furniture are to be made more adequate. The wash rooms also need to be made sufficient for faculty and students. Safe drinking water should be made available for all on the campus. Special attention should be given to the development of the laboratories.
