

REPORT ON THE COMMUNITY DEVELOPMENT PROGRAMME UNDERTAKEN BY THE EXTENSION CELL, LUMDING COLLEGE

Improvement of Kalibari approach road

Extension Cell, Lumding College took the initiative for improvement of the dilapidated portion of the main road between Lumding College and Kalibari in the month of March, 2013. The cell involved 30 students in the programme. As part of the programme, a memorandum was submitted to the Lumding Municipality, drawing their attention to the inconvenience caused to the passersby as a result of the damaged part of the road and urging them to repair the road before long. The municipality authority said that the road falls under the jurisdiction of PWD and assured the cell to take up the matter with the PWD. Accordingly, the municipality referred the matter to the PWD, Lumding and the PWD authority promptly repaired the dilapidated part of the road and the people of Lumding who use the road regularly expressed happiness and offered their hearty thanks to the Extension Cell for its commendable initiative for the community development work.

REPORT ON INITIATIVE TAKEN TO ENGAGE WITH AND CONTRIBUTE TO LOCAL COMMUNITY

Construction of Well

The NSS unit contributed a considerable amount to build a well in the school premises of Vivekananda Shiksha Niketan, Gour Basti, Lumding in February/ March, 2017. During the construction the authority used to supervise the work. The well was constructed for easy access to water sources for drinking and other purposes. The community expressed their satisfaction for the construction of the well which was an urgent need of the locality.
