

Report on Career Counselling on Aeronautics

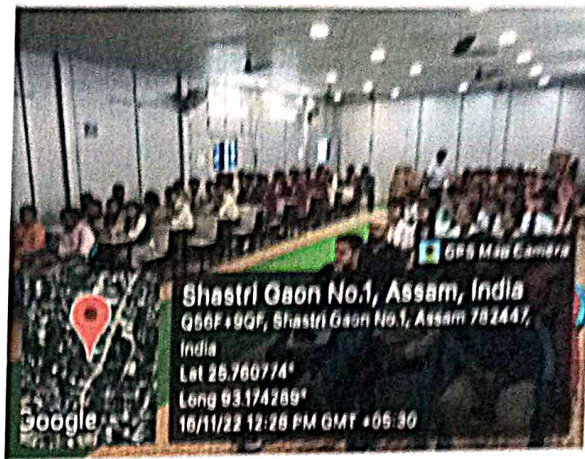

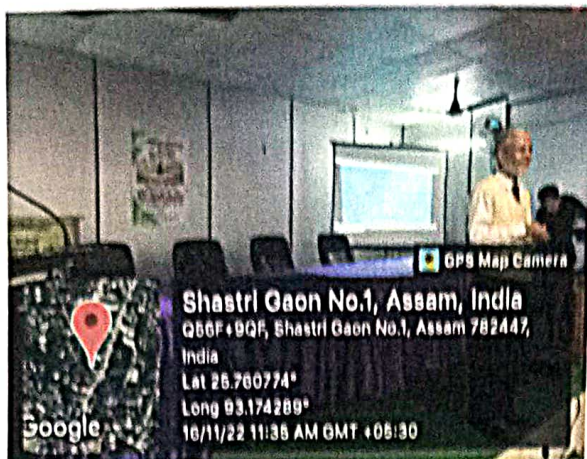

A one-day workshop on Aeronautics was held on 16/11/22 at Lumding College, Lumding which aimed to introduce students to the fundamentals and recent advancements in the field of aeronautics. The workshop took place in the seminar hall of the college which was attended by intermediate science and degree 1st semester science students. Additionally, students from Pranab Vidyamandir Senior Secondary School and National Higher Secondary School, Lumding attended the program along with our students.

Dignitaries from Indian Institute of Aeronautics Group viz., Mithun Dey, Quality Control Manager; Md Ashif Ahmed, Education Consultant; Dr Hirendra Kumar Bhagawati, Education Consultant; Sumit Jha, Admission incharge attended the program. While two other representatives Deep Shukla, Marketing Executive Officer and Himangshu Manager Admin from Affinity Group of Institutions also attended the program.

The program commenced at 11:00 am which was hosted by Dr. Satyajit Dey Boruah. Dr Rajat Goswami was invited to deliver the welcome and inaugural speech which was followed by the felicitation of the guests. After the felicitation, experts provided insights into the principles and applications of aeronautics through their lectures. The workshop provided a platform for students to interact with experts, that helped the participants gained a deeper understanding of the fundamental concepts and practical uses of aeronautics.
