

## Report on

## Community Service Programme through Geo-Awareness Campaign

The Department of Geology, Lumding College organised "Community Service Programme through Geo-Awareness Campaign" on 29<sup>th</sup> August, 2018 in National Higher Secondary School. It was conducted by the students of the department, who demonstrated the introductory idea of the subject Geology, including different branches of Geology, its scope, different types of minerals, rocks and fossils. They showcased several rock samples collected during field work. The students of the National Higher Secondary School actively participated in the interactive session. The Department of Geology also donated three types of rocks to the school.
